J Equity Partners Achieves Impressive Performance during Challenging Times

Despite the challenges faced globally due to the pandemic, J Equity Partners, a Bahrain-based category 1 investment firm licensed by the Central Bank of Bahrain has successfully completed a series of exits in the United Kingdom for its investors and is planning further lucrative exits.

This forms part of J Equity Partners' strategy whereby exit opportunities are created for investors to achieve and realize value from their investments. Over the past months, the firm has executed upon this strategy whereby a number of assets have been sold. These assets went through the full investment cycle including investment screening, investment selection, deal negotiation, transaction documentation, securing financing, investment monitoring and management.

Notwithstanding the global pandemic, J Equity Partners was able to create exit opportunities for its investors and secured buyers after ensuring impressive returns would be realized. Extending its strategy even further, over the coming months, J Equity Partners is planning a series of exits in the United Kingdom as well as new acquisitions for its investors.

In addition to other asset classes in various geographies, J Equity Partners continues to manage a unique portfolio of multi-sector, income generating assets across the United Kingdom.
