J Equity Partners Successfully Exits Investors from Two Structured Finance Investment Vehicles Focused on the Education Sector

J Equity Partners, a Bahrain-based category 1 investment firm licensed by the Central Bank of Bahrain (the “Firm”), has successfully exited investors from two special purpose investment vehicles focused on the education sector. The two investment vehicles provided bespoke Shariah-compliant structured funding for two growing and successfully operated educational institutions based in the United Arab Emirates, namely in the emirates of Sharjah and Dubai. The funding was used by the respective educational setups to increase capacity, enhance strategic positioning, and bolster operations.

For investors, the two investment vehicles offered highly secured semiannual income streams and profitable exits. Over the term of the respective investment holding periods, each investment vehicle also provided investors with partial redemptions to achieve a gradual divestment.
